

Big Lick: Retreat on Lake Moomaw

We hope you enjoy your stay!

Please Remember:

Accommodations are NON SMOKING. Please do not litter.

Fires are allowed in fireplaces or fire pits (if equipped) ONLY.

Fires only permitted in the absence of a fire ban and during calm weather conditions.

No pets permitted unless approved prior to arrival. Pets not allowed on furniture; you must clean up after your dog.

Wildlife: We work hard to ensure the health of the wildlife at Big Lick Retreat, including the American Black Bear. We hope you have a chance to experience as much (or as little) of the local fauna as you like during your reservation with us. To ensure their health and your safety, please do NOT leave trash outside the lodge and ensure that the grill has been cleaned of all food before retiring from the porches/deck.

Check in: After 3:00 PM unless prior arrangements have been made.

Check out: 11:00 AM

Check out Procedures:

- Replace any furniture that was moved (including any chairs used on porches).
- Remove any debris from the fire pit/gravel areas.
- Leave used beds unmade, and leave towels by the washing machine (if equipped).
- Remove trash from all garbage cans. Please take trash to the large trashcan in the parking area.
- Leave the kitchen clean. Wipe countertops, and wash any dirty dishes or run the dishwasher.
 - Remove any opened food from the refrigerator and cupboards.
 - Empty water from Keurig coffee machine.
- Turn all lights and appliances off.
- Ensure exterior windows and doors are closed and locked.
- Reset the thermostats. Turn off baseboard heat.
 - Please turn off window AC units (if equipped).
- Double-check all drawers and closets for personal items.
- If you have any suggestions or maintenance requests, feel free to leave a note on the kitchen table.

Power Outages/Severe Weather: Big Lick Retreat is secluded, and the dwellings do lose power from time to time. Power is typically restored within a few hours. If you experience a power outage, please text or call Erin Freeman and she will alert the power company. Water is provided through a well system, and the pump will not work when there is a loss of power. Please conserve water. Water and a flashlight/lantern are located in the lower left kitchen cabinet, if needed during an outage.
